

## Confirmation

### Safety Data Sheets (SDS) for Solid Phase Compartments and Devices

Dear Sir or Madam,

we, R-Biopharm AG, herewith confirm that all solid phase compartments like Microtiter plate, Sample container, Allergen Disc, C18 column, Test strip (membrane) and Compact Dry plate do not need a Safety Data Sheet (SDS).

These compartments in our products are not classified as dangerous according to Regulation (EC) No 1272/2008 (CLP regulation).

Furthermore, the obligation to prepare a safety data sheet does not apply to devices. Therefore, no SDS are provided here.

R-Biopharm AG, 18.09.2023
